WEEKLY REPORT

Work done in last week (Attach supporting Documents):

1. Team meeting held for the further discussion of the project of client - 010
2. I got the responsibility to gather the appropriate data
3. Started gathering the data by aligning with the client by scheduling a meeting with the communication team along with my manager.
4. After the meeting, discussed with the manager and the team to brainstorm the different sources through which data can be collected. I was further assigned to join and blend the data provided.
5. Daily training for the data analytics and Tableau.
6. I also completed the small project assigned to me.
