

## WEEKLY REPORT

### **Work done in last week (Attach supporting Documents):**

1. Started solving the tasks provided by the company in collaboration with PW Skills.
2. Daily reporting to the manager regarding the progress made in the Data Science Bootcamp.
3. Completed the mini-project assigned to me.
4. Pitched the mini-project along with the insights gained to the team leader.
5. Continued working on the Data Collection phase.
6. Attended the daily team meetings.

### **Reason for incomplete work:**

NA

### **Plans for next week:**

1. To attend the daily and weekly team meetings.
2. To complete the daily practice tasks provided by the team leader.
3. To Report the team leader on daily basis and discussing the progress.
4. To learn the basics of web scrapping using python.
5. Prepare the data collection report and to discuss with the team for the further steps.

### **Mini-Project:**

#### **Problem:**

Your friend needs to establish a startup. However, he does not have the proper funding source. Hence, help him to solve his queries and to give him best answers to the questions. Also, try to use graphs for better understanding whenever possible.
