Student ID: 19DCS098	Student Name: Parth N Patel
From Date: 31 May 2022	To Date: 5 June 2022
Semester: 6	Internship ID: IM-01

Work done in last week (Attach supporting Documents):

1. Conducted further meetings with the clients.

- In the meeting, discussed about the upcoming and ongoing projects.
- Along with that, discussion with interns took place.

2. Conducted introductory meeting with the newly joined interns.

- This was a short introductory meeting where I tried to understand the interns, attempted to know their mindset.

3. Project Discussion with the interns

- The discussion was done regarding the individual projects assigned.
- A clear roadmap is prepared with each team for the projects.

NOTE: The details about the project will be provided in the week-4 report.

4. Started an online course named “SQL for Data science”

- The course is on Coursera.
- It is a series of 5 courses that I need to complete before beginning my project.

5. Meeting with the upper management regarding my data science and analytics project.

NOTE: My data science project details will be provided in the week-4 report.

NOTE: I am not permitted to show or discuss the meeting details and strategy for the projects with any party outside of the organization (including the university).

Plans for next week:

1. Completion of Course-1 of the online degree
2. Finalization of the strategy and roadmap for my project
3. Weekly meetings with the interns for the progress in the projects.
